FINANCIAL REPORT

Zoo Financial Report

Director Wagner reported that the Ingham County 2022 audit begins April 1, 2023 and that final 2022 budget numbers will be available after audit. She stated there have not been any major unplanned expenditures in 2023, but there are many small expenses with general maintenance upkeep.

ADMISSION REPORT

Director Wagner reported that both the paid and unpaid admissions numbers were up in February compared to 2022 as well as year to date. She stated the weather in February was mild which always increases admissions. She also stated that 1,545 MSU students and staff visited over the course of the five days that free admission was offered.

ZOO DIRECTOR REPORT

Major Elements Reported by Director Wagner:

AZA accreditation application was submitted February 27 and received by AZA February 28.

The post about offering free admission to MSU students and staff had 1,103,764 social impressions and over 115,610 engagements.

Animal care staff are reviewing protocols for implementing a two-lock system for the big cat areas.

Conducting interviews for the full-time veterinary technician position.

Group volunteers are starting to sign up for spring dates, more are needed. If the Board knows of any organization that may be interested in volunteering Kelly Gibson can help them sign up.

Outback Steakhouse once again generously provided dinner for the FALCONERS families at the March event.

Jazzmin Wipf had an article published in the Association of Zoo Keepers (AAZK) March edition.

Uzuri, the female bongo, gave birth to a female calf. Press release will go out next week.

The 2022 Annual Report is in progress and will get printed in April.

NEW BUSINESS

Zoological Disaster Response Discussion

Brian Fisher, Maintenance Manager and Deputy Director, presented information about the Zoological Disaster Response, Rescue and Recovery (ZD3R) organization. This is an organization that helps zoological facilities at no charge immediately following a disaster such as a fire or tornado. If Potter Park Zoo would like to be involved in the organization there is a memorandum of understanding that would need to be signed. Director Wagner and Deputy Director Wagner requested support of entering into an MOU with ZD3R.

Dr. Snider stated that he wanted local police officials to be aware of the agreement with ZD3R. Director Wagner responded that if an agreement is approved it would be shared with the Lansing Police Department. Jack Kottwitz stated that his understanding of ZD3R is that they are Day 2 response organization and that local officials would handle the immediate Day 1 response.

The Board agreed there was support for moving forward with seeking approvals to enter into an MOU with ZD3R.

Board Chair Cheryl Bergman asked if the Zoo Board is required to meet monthly. Commissioner Trubac stated he would reach out to Becky Bennet to ask.

6:36 Emily Linden left meeting.

OLD BUSINESS

Animal Health Facility Update

Director Wagner shared that Kramer Group was approved at the last Building Authority meeting. The attorneys are working on a contract and once that is in place Kramer Group can begin planning for engineering services.

AZA Accreditation Update

Director Wagner stated the accreditation staff had sent the names of three inspectors for PPZ to approve. Director Wagner responded with approval and is now waiting for an emailing confirming the three inspectors for the PPZ

inspection. Once they are confirmed the inspection can be scheduled. Director Wagner also informed the Board that the inspectors will want to interview several Board members while they are at PPZ.

CIP Update

BOARD COMMENTS

Commissioner Trubac stated that the Zoo Board Chair can decide when and how often to hold meetings. Chair Bergman asked the Board if they would consider meeting less frequently. Discussion ensued. It was agreed that the agreed upon monthly meeting schedule would remain in place, however, the Zoo Director and the Board Chair will discuss if a meeting is necessary a 1-2 weeks prior to the meeting date and cancel if it is determined unnecessary.

LIMITED PUBLIC COMMENT

None

ADJOURNMENT

Meeting ended at 6:52 p.m.

POTTER PARK ZOO ADVISORY BOARD

Meeting of April 12, 2023

RESOLUTION TO SUPPORT AN AGREEMENT WITH DLZ FOR ARCHITECTUAL AND ENGINEERING SERVICES AT POTTER PARK ZOO

WHEREAS, the Potter Park Zoo is in need of architectural and engineering services for a variety of projects; and

WHEREAS, per the Ingham County Purchasing Policy, vendors on the MiDEAL Contract do not require participation in the competitive bidding process; and

WHEREAS, the Ingham County Purchasing Department has verified DLZ is on the MiDEAL Contract, #00876, for Architectural and Engineering Services; and

WHEREAS, it is the recommendation of the Zoo Director to enter into a two-year agreement with DLZ for the purpose of providing as needed professional services for upcoming projects, renovations, MEP improvements, and design renderings to be used for the purpose of fund raising.

THEREFORE BE IT RESOLVED, that the Potter Park Zoo Advisory Board supports entering into a two-year agreement with DLZ Inc. for as needed architectural and engineering services at Potter Park Zoo.

ADMISSION TYPE	DESCRIPTION
CHILDREN RESIDENT	Children, Ingham County ages 3-16 (\$5 April - October, \$3 November-March)
CHILDREN NON-RESIDENT	Children, Out of Ingham County ages 3-16 (\$5 April - October, \$3 November-March)
CHILDREN - UNDER 3	All Children, any county under age 3 (Free)
ADULT RESIDENT	Adult of Ingham County (\$7 April 1 - Oct. 31, \$4 November-March)
ADULT NON-RESIDENT	Adult Out of Ingham County (\$13 April 1 - Oct. 31, \$4 November-March)
SENIOR/MILITARY RESIDENT	Seniors/Military of Ingham County (\$5 April 1 - Oct. 31, \$4 November-March)
SENIOR/MILITARY NON-RESIDENT	Seniors/Military of Ingham County (\$11 April 1 - Oct. 31, \$4 November-March)
PPZ MEMBERS	Visitors holding membership at PPZ - one time payment
SPECIAL EVENTS - PPZ	Admission included in event fee
SPECIAL EVENTS - COUNTY	Admission included in event fee
RECIPROCAL ZOO MEMBERS	Reciprocal Zoo memberships (Discount varies)
RECIPROCAL ZOO MEMBERS (100%)	Reciprocal Zoo Members (Free admission)
GROUPS	20 or more guests paying together (\$1 off per person)
MONDAY PROGRAM	Ingham County and City of Lansing Residents free 9-12 PM on non-holiday Mondays
OTHER (non-paying)	Any coupon related attendee

Director's Report April 12, 2023

AZA

The AZA accreditation inspection dates have been confirmed for June 20, 21, and 22

Guests

The Savanna Grill is open! We are still looking for hard-working individuals to join our team. When staffing is lowest we may have a reduced menu but our goal is to be open to serve up some treats every day.

The AniMall was featured in Souvenir, Gifts, and Novelties magazine!

Summer hours started April 1, the zoo is open from 9 a.m. to 5 p.m. through Labor Day. Summer rates are also in effect:

- Resident Adult \$8.00
- Non-Resident Adult \$15.00
- Resident Senior (60+)/Military \$6.00
- Non-Resident Senior (60+)/Military-\$13.00
- All Children (ages 3-12) \$5.00
- All Children Under 3 FREE
- *Resident refers to anyone living in Ingham County
- *Children under 16 must be accompanied by an adult
- *Residents are admitted on non-holiday Mondays from 9 a.m. to noon for FREE

Staff

Interviews to fill the Learning Programs Coordinator position are ongoing.

The Maintenance team worked hard to salvage furniture from the old Ingham County Jail for use at the zoo.

A new storage container was purchased for hospital equipment that is starting to be purchased for the new animal health facility.

TB shots for required staff will be Tuesday, June 6 from 9:30 – 10:30 a.m. at the PPZ. The Health Department will be back Thursday, June 8 from 9:30 – 10:30 a.m. to read the results. Dr. Ronan will be doing Zoonotic Diseases training Tuesday, April 25 from 2 - 3 p.m. for all staff required to attend Zoonotic Diseases training.

Events

The Hippity Hop 5K sponsored by The Child Benefit Fun was April 8 starting at 10:30 a.m. There was a 5K run/walk, an Easter Egg Hunt for children 12 and under, kids' activities with Impression 5 and Home Depot – Okemos, and a meet and greet with the Easter

Bunny. All 5K participants received finisher's medals, t-shirts, and a FREE same-day entrance into the Potter Park Zoo.

There were 441 race participants that entered the zoo the day of the race.

Conservation Engagement

Volunteers

Friday, April 7 from 5 to 8 p.m. was the Night at a Living Museum event. There were 514 attendees.

Visit www.sciencefestival.msu.edu for more information.

The 4-H Trail Camera SPIN Club will begin Tuesday, May 2, and end Thursday, May 18. This club will meet at Potter Park Zoo Tuesdays and Thursdays from 3:30 - 4:30 p.m. Youth will be introduced to Michigan wildlife and learn how to contribute to science by examining trail camera footage. This 4-H SPIN Club is FREE and OPEN to new and existing Ingham County 4-H members, ages 9 to 13.

Interested in adopting a garden at the zoo? The zoo is hosting an Adopt-a-Garden information meeting on April 11 from 5:30-7 p.m. If you know someone who might be interested, please let Kelly know. We can't wait to see what beautiful gardens our supporters will create!

Diversity, Equity, Access and Inclusion (DEAI)

FALCONERS has a new sponsor, MiABLE! MiABLE is committed to helping individuals with disabilities maintain their health, independence, and quality of life without jeopardizing their benefits. The FALCONERS program is extremely grateful for MiABLE's support and dedication to the program and looks forward to a fruitful partnership in the future.

Zoo in Your Neighborhood

In the month of March, over 240 guests visited the zoo using the passes. This is a record for the month of March.

Animal Care and Research

Congratulations to Dr. Ronan for his outstanding work on the recent study on cardiac disease in reptiles!

DEGENERATIVE CARDIAC DISEASE IN TWO SPECIES OF TORTOISE (CHELONOIDIS NIGRA COMPLEX, CENTROCHELYS SULCATA)

Bridget Walker, DVM, Ronan Eustace, DVM, Kimberly A. Thompson, DVM, MPVM, DACVPM, DACZM, Chris A. Schiller, DVM, DACVP, Angelique Leone, VMD, and Michael Garner, DVM, DACVP

Abstract: Cardiac lesions in tortoises are incompletely described in the literature. This retrospective case series includes 11 cases of degenerative cardiac disease in young tortoises from two species in human care: Galápagos tortoise complex (Chelonoidis nigra complex) (n=9) and sulcata tortoises (Centrochelys sulcata) (n=2). Eight tortoises were male, two were female, and sex was undetermined for one individual. The age range at the time of death was 10-32 yr with a mean of 19 yr. The most common clinical signs noted prior to death were peripheral edema, lethargy, and inappetence. Common necropsy findings included generalized edema and pericardial effusion. All cases had ventricular myocardial fibrosis and several cases had epicardial adhesions. Additional common findings included hepatic lesions (hepatic lipidosis, hepatic fibrosis, and hepatitis) and pulmonary lesions (pulmonary edema, pulmonary fibrosis, and pneumocytic hypertrophy). A definitive cause for degenerative cardiac disease was not identified in this case series, but the young age distribution of the tortoises suggests that inappropriate environmental parameters, husbandry, and diet should be investigated as possible underlying contributing factors.

Madi, one of the ring-tailed lemurs, is pregnant. Dr. Ronan has confirmed the pregnancy during an ultrasound.

The eastern bongo calf was named "Maeve" by the zookeepers, a fitting tribute to her late father, Maverick.

AZA shared the news of our bongo birth on social media and WILX also did an interview.

Congratulations to the Potter Park Zoo team and Heath Thurman for excellent work on announcing the

The dart frogs are now on exhibit in the reptile building.

Emmet the Elk shed his antlers, which weighed 9.4 kilograms combined. We are waiting to contracept the females and then he will be rejoining the herd.

After a thorough examination of North American river otter Nkeke, Dr. Ronan found evidence of arthritis in multiple joints, which is common in older animals. Nkeke has been started on a course of arthritis medications and zoo staff will continue to monitor her response.

Reimagining Population Management in AZA

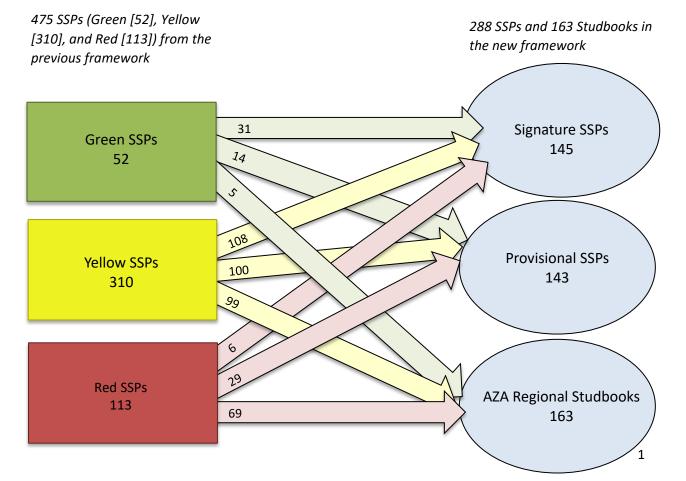

(as of Mar 2023)

The AZA Species Survival Plan® (SSP) Program has long been a symbol of AZA's collective commitment to species but *many SSPs were not sustainable and would no longer exist in zoos and aquariums if we didn't change our approach.*

To combat the population sustainability crisis, the AZA Board of Directors directed the Animal Population Management (APM) Committee to develop a new framework for managing Animal Programs. In early 2021, four objective SSP program eligibility criteria were developed and shared:

- Program leadership and authority must fall within AZA
- Program species must be held by at least 15 AZA facilities
- More animals must be acquired through breeding than from non-AZA sources
- The majority of the managed population must be housed in AZA member facilities

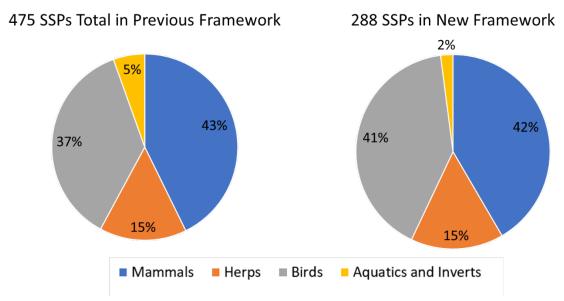

Last year, SSP Assessments were developed, and 369 SSPs completed the assessment process. Another 106 SSPs did not meet the new SSP eligibility criteria above and did not enter the SSP Assessment process; of these 106, 99 were found at fewer than 15 AZA facilities. Starting with 475 SSPs, we now have 288 SSPs (145 Signature SSPs and 143 Provisional SSPs) and 163 AZA Studbooks.

Of the remaining SSPs that went through the assessment process, four were designated as TAG Monitored without an AZA Regional Studbook, 14 are potential SAFE programs, and six will no longer be managed by their respective TAGs.

At this time, an additional 42 studbooks will continue to be maintained for former Candidate and TAG Monitored populations, while 36 species are maintained as TAG Monitored without an AZA Regional Studbook.

Relative taxonomic representation across SSPs remained virtually the same following SSP Assessments (see below). Moving forward, we will monitor this ratio as we develop pathways for new species to become SSPs.

For updates on program statuses, please see the TAG RCP Addenda or recent RCPs on the TAG homepages in the animal programs database of the AZA website and the Animal Programs Sustainability Designation sheet (<u>Animal Program Database</u> and <u>Designation sheet</u>). As TAGs continue to publish new RCPs the SSP designations will be reflected there and the RCP Addenda documents will be removed.

Implementation of these changes have already begun, but the Animal Population Management Committee will be finalizing other parts of the reimagination process, including developing an assessment process for non-SSPs to reach SSP status, creating a program leader training, mentoring, and succession planning process, developing an accountability framework, and more. If you have any questions, please don't hesitate to reach out to Joe Barkowski, APM Committee Chair (jcbski@aol.com), Hollie Colahan, APM Committee Vice Chair (hcolahan@birminghamzoo.com), or the AZA Conservation, Management, and Welfare Sciences staff (animalprograms@aza.org).
